

****URGENT KIDKARE Information****

The correct site is KidKare.com NOT KidCare.com. The KidCare.com site is a malicious website that might give your computer a virus.

To ensure that you are logging into the correct website follow the below instructions:

1. Always spell KidKare.com with two K's.
2. Go to www.minutemenu.com and click on the link there for KidKare.com.
3. You can create a "bookmark" or "Icon" on your device screen so that you don't accidentally type it incorrectly, then when logging in you just need to click on the icon.

Last month to switch from WEBKIDS to KIDKARE

Just a reminder that if you are still using Webkids, you must make the switch to Minute Menu's new program, KidKare.

Any providers who do not make the switch before October 1, 2017 will be required to submit their October claim on scannable bubble menus.

On October 1, 2017 Minute Menu's, WebKids will be turned off by the Minute Menu Corporation.

Training Reminder

Remember, this is the last month to complete your required 6 hours of training, we don't want anyone to have their October claim blocked!

We ask you to send the remaining trainings no later than September 15th, so that we have time to correct and process them.

Completing six hours of annual training is a state requirement that ALL CACFP nutrition programs must have their providers comply with.

APPLE ACTIVITY

**NOTE: Using the KidKare web program makes claiming for Infants much easier!
